### Our Mission

Our goal at Gemini Gymnastics Academy is to provide a nurturing and positive atmosphere where your child can receive quality instruction and individual attention. We believe that the sport of gymnastics can build self-confidence, teach life skills and create happy, healthy children.

### POWerful Words Character Development Curriculum

Child & Adolescent Development Specialist, Robyn J.A. Silverman, PhD has developed our character education program that is used within the context of our organized gymnastics lessons. This program invites students to listen, share, discover & reflect on the ways to become upstanding members of our community as well as confident individuals in their own right. This curriculum enhances your child's learning experience by helping them develop socially & cognitively as well as physically!

### Referral Program

Gemini has become successful due to our word-of-mouth referrals. As a special thank you, for each family that you refer to Gemini, you will receive a \$10 credit on your account to use towards tuition or apparel. The family you refer MUST write your name in on the bottom of their registration from upon registering in the "Referred By" area for you to receive the \$10 credit.
